## BEING AHEAD OF TIME WITH THE WISDOM OF GOD

Dear partner,

Praise be to the name of our Lord and Savior Jesus Christ who has blessed us with all Spiritual blessings in heavenly places. Lets take a look at Ephesians. Blessed be the God and Father of our Lord and Savior Jesus Christ, who hath BLESSED us with ALL spiritual blessings in heavenly places in Christ: ACCORDING as He hath CHOSEN US IN HIM BEFORE THE FOUNDATION OF THE WORLD, that we should be holy and with out blame before Him IN LOVE. That word “according” indicates that He has blessed us with all SPIRITUAL blessings in Christ the same way that He chose us in Him. BEFORE THE FOUNDATION OF THE WORLD. The spiritual blessing that I want to talk to you about is the wisdom of God to get you over any trial that comes your way. Would you agree with me that wisdom is a spiritual blessing. Than God has already given it to us.

Wisdom is knowing and acting on God’s plans and purpose in every situation. The bible says that when we lack wisdom in a trial, we should ask God for it James 1:2-8. Asking is the spiritual process of getting what’s inside of your spirit (outside of time) to the outside (the realm of time). You already have the wisdom. WE ARE COMPLETE IN HIM Colossians 2:10. You were born from above (outside of the realm of time). Look at John 15:26, But when the comforter is come, whom I will send unto you FROM THE FATHER (out side of time), even the Spirit of TRUTH, which proceedeth from the Father (outside of time), He shall testify of me: and ye also shall bear witness (testify) because YOU HAVE BEEN WITH ME FROM THE BEGINNING (outside of time).

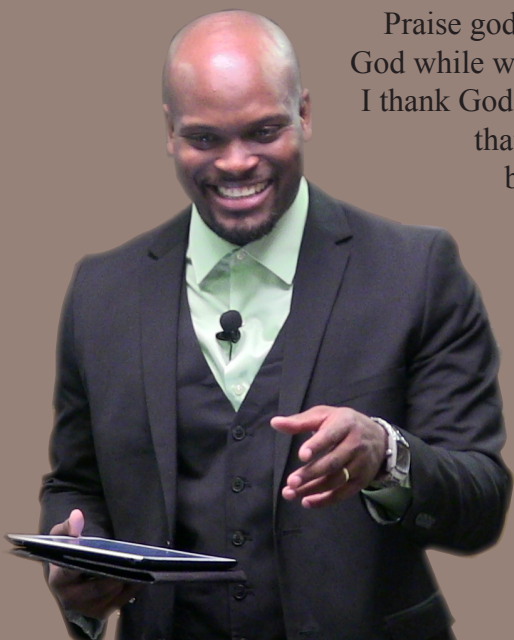

In the beginning was the WORD (Wisdom). And the WORD (Wisdom) was with God. You get the picture. You can only testify to what you have seen and heard out side of the realm of time and in the realm of God John 3:1-11. Since your spirit and the Holy Spirit both qualify as witnesses, we can look at the Holy Spirit and His method of conveying information to get an idea of how our newborn spirits operate. Howbeit when He, the Spirit of truth is come (from above – outside of time), He will guide you into ALL TRUTH, for He shall not speak of Himself; but whatsoever He shall hear, that shall He speak (remember, what he has seen and heard, that he testifies): and He shall show you THINGS TO COME (because he heard and seen it all outside of time).

This is also true of your own newborn spirit because we find out further in the new testament that the Holy Spirit does not bear witness TO my spirit but WITH my spirit Romans 8:16. So you can scripturally say, Howbeit when He, the newborn spirit is come (from above – outside of time), the newborn spirit will guide you into ALL TRUTH, for the newborn spirit shall not speak of Himself; but whatsoever the newborn spirit shall hear, that shall the newborn spirit speak (remember, what he has seen and heard, that he testifies): and the newborn spirit shall show you THINGS TO COME (because he heard and seen it all outside of time).

Jesus spoke of the ministry of the indwelling Holy Spirit because they could not yet bare the full truth of the newborn spirit. You no what’s coming because God already showed you every angle of your situation before time began. The Holy Ghost will bring it to your remembrance. You need to trust the witness of your spirit and you will always be ahead of time and ahead of the enemy.

Praise god my brothers and sisters. Krystle and I are really enjoying the faithfulness of God while we are here. It is a fight because the devil knows that we are in the will of God. I thank God that he took the time to develop my faith before we moved. All those years that my spirit was urging me to get in the word and prompting me to go places by faith even when there was trouble.

I was being prepared for this. You need to let your spirit guide you and not your head. Go where you are led to go. Say what you are led to say. Give what you are led to give. Your destiny is on the line. Everyday you make small decisions that determine your future and destiny in the earth and in eternity. Be obedient and don’t allow time to control you but you STAY AHEAD OF TIME. Krystle and I love you and are praying for you everyday.
